

```
cimg_library_suffixed  
::CImg::save_gzip_external
```

A diagram illustrating a function call from a suffixed namespace to a base namespace. A blue arrow points from the right box to the left box. The left box has a light gray background, and the right box has a white background. Both boxes have black borders.

```
cimg_library_suffixed  
::CImgList< charT >::  
save_gzip_external
```
